Dallas quince budget worksheet

150 guests · prices checked November 2026

By Rosa Medina Garza, Su Quince's planning guide

I looked up what Dallas and Fort Worth halls, caterers, DJs, photographers, bakeries, decorators and parishes charge. The dress line is my estimate, since no DFW shop I found posts gown prices. Write your quotes next to mine.

Your quotes will be different. Every price and its source is in the guide on suquince.com.

Rosa's tip

If this were my family, I'd ask every hall for its Friday and Sunday price. In DFW, a full Friday at the same hall can cost $500 less than a Saturday.
