San Antonio quince budget worksheet

150 guests · prices checked November 2026

By Rosa Medina Garza, Su Quince's planning guide

I looked up what San Antonio halls, caterers, DJs, photographers, bakeries, decorators and parishes charge. The dress line is my estimate, since no San Antonio shop I found posts gown prices. Write your quotes next to mine.

Your quotes will be different. Every price and its source is in the guide on suquince.com.

Rosa's tip

Get the hall's start and end time in writing before you pay a deposit. One downtown ballroom I found only books from 3 PM to 9 PM, too short for the Mass, dinner and the dance.

- Your budget starts with your area's prices.
- What padrinos cover comes off your total.
- Deposits and due dates land on your calendar.
